

KEEPERS OF THE FAITH

"To this you were called, because Christ suffered for you, leaving you an example that you should follow in His steps." - 1Peter 2:21

Next meetings:

May 4 June 1

A wonderful WELCOME to all of our Keepers of the Faith girls! We are so blessed to have all 26 of you as part of this new group full of fun and faith. It is our prayer that you will develop many special relationships with the girls in our group, as well as a deepened relationship with Jesus. You can be sure that Keepers of the Faith will be a great time for all of us to laugh and have fun together, learn new skills, and develop a servant's heart through learning how to love one another. God is so good to bring us all together. -Your Keepers of the Faith Leaders

BIBLE MEMORY

Hiding God's Word in our hearts is an excellent way to keep our thoughts focused on Him all day long. Our goal is to memorize Psalm 100 over the next 6 months! We learned that it is easy to memorize scripture if do it a little bit at a time and put it to a familiar tune. We even received a memory verse card to help us practice at home as well as a calendar to keep track of our efforts! (Sing to the tune of Row, Row, Row Your Boat)

Sho-ou-out for joy, to-oo-oo the Lord
All-all-all the earth, Psalm 100 verse one.

BIBLE TEACHING

We are learning about what God says about friendship (John 15:12-14)! Today we talked about:

- Qualities that make a good friend
- Jesus is our forever friend because he died for each of us so that we can go to heaven some day and be with him forever. We used Resurrection eggs to tell the story of Jesus' death and resurrection on Easter Sunday!
- We are friends with Jesus if we do what he commands
- Being a friend to others because we love Jesus

**EARTH DAY
IS APRIL 22.
LET'S MAKE
EVERYDAY
EARTH DAY!**

RAFFLE

We are encouraged to practice our memory verse at home every day! The calendar is for our parents to sign off on the days that we do practice. We can also earn signatures on the calendar for other behaviors that are pleasing to God, such as obeying our parents and acts of kindness. When we come back to the next Faithkeepers meeting, we should bring our calendars. A raffle ticket will be given for each signature on the calendar...the more raffle tickets we earn, the more chances to win a prize! Raffle tickets will also be randomly given out during our Faithkeeper meetings to reward behavior that is pleasing to the Lord!

WANTED

LESSON LEADERS - We need people to share their skills and talents with the girls and help them earn badges. If you need ideas, you can contact Vivian Kawata, our Parent Resource Leader.

VOLUNTEERS - Your help is always welcomed in whatever way you are able to give, big or small. Please contact Wendy if interested.

For the Mother/Daughter Tea at our next meeting on May 4th, please bring your own teacups and saucers. We are also in need of teapots.

OTHER NEWS

Learn to Hula! Please join us for a new hula class on April 27th from 11:45am-12:45pm in Room 7. Come for fun, fellowship, and the chance to learn a different way of worshipping the Lord. Contact Kelene Uno for more information.

BIRTHDAYS

- April 3 Kristen Yee
- April 17 Lindsey Sun
